Herald:

Sorry it has taken so long to write, but we have been very busy. Again thank for a wonderful evening, the best crowd we ever had for an affair, over 400!

I sold about 60 books on hand that someone was supposed to get.

The action on other books copied from "Whitewash" has been slow. We sell "Whitewash" off

and on.

I heard from Washington but it was not long enough.

Happy New Year & keep well. Don't forget to admire of "Whitewash 2"

By Emily, the Villanova boys were thrilled w/ the tape

Love

Jane
